

# Camper Release Authorization Form

\*\*\*Any child who will not be dismissed directly to a parent/guardian or an "Authorized" individual must have a waiver on file in the camp office. For example, if your child is getting a ride with someone else, involved in a car pool, or if they will be walking or biking to camp, we will need an authorization form on file. This form is a guideline for submitting this information to Summer Fenn.

Please send your original copy to the Camp Office. Parents/guardians must sign the waiver.
